SUMMARY

B.Tech Computer Science & Engineering student (KTU, graduating 2029) and full-stack web developer building production applications with **Next.js**, **React**, **TypeScript** and **PostgreSQL**. Currently a Technical Intern at MindBae, seeking a software development or IT internship.

WORK EXPERIENCE

Technical Intern — MindBae

Jun 2026 – Present

- Developed and shipped features for a production web platform using **Next.js**, **React**, **TypeScript**, **Supabase**, **PostgreSQL**, and **Tailwind CSS**.
- Collaborated on bug fixes, authentication flows, booking workflows, and responsive UI improvements using Git-based development workflows.

Marketing Strategist & Community Manager — XandY Learning (UGC Community)

Jul 2026 – Sep 2026

- Developed marketing and growth strategies to scale a **150+** member community across five circles.
- Led engagement initiatives, content strategy, announcements, and challenges with the core team to drive participation and retention.

Freelance Web Developer

Jan 2023 – Dec 2024

- Developed and deployed multiple SEO-optimized business websites averaging **1,500+** monthly visitors.
- Delivered a custom business website that contributed to a **12%** increase in client sales.
- Engineered a Higher Secondary School website using **SCSS**, **Nunjucks**, and **JavaScript** for 500+ weekly visitors.

EDUCATION

KMCT CEETM, Kerala Technological University

Bachelor of Technology, Computer Science & Engineering

Expected Graduation: 2029

Perinthalmanna, Malappuram

PROJECTS

Campus Echo

Anonymous Campus Communication Platform

2025

campus-echo-v3.web.app

- Built an anonymous campus discussion platform for **30+** pilot users using **Next.js**, **Prisma**, and **Cloudinary**; hosted on Firebase.

SkillForge

Personal Skill Tracking Application

2026

skill-forge-puce.vercel.app

- Built a skill-tracking app for streaks, sessions, and analytics using **Next.js**, **React**, **Zustand**, and **Recharts**; deployed on Vercel.

Library Management System

Web-based Library Management Application

2024

library-system-demo.onrender.com

- Built a role-based library system for issue/return workflows, user admin, and bulk data import using **Flask** and **Pandas**; deployed on Render.

LEADERSHIP

Union Chairperson

KMCT CEETM

- Coordinate student activities, technical events, and communication between students and administration.

Media Coordinator & General Secretary

Scienstest Science Club

- Managed digital outreach, poster design, and online engagement initiatives during the COVID pandemic.
